March 6, 2022 / Dr. Ron Jones

1. What does Paul mean by “the present evil age”? Do you have any alternative choice but to live in this present evil age?
2. Do you feel you are crucified with Christ? Do you feel as though Christ lives in you? Do you feel as though you live by faith in the Son of God? If you do not, how do you reconcile your feelings with the truth of Galatians 2?
3. What are some ways people seek right standing with God other than the way of grace through faith? Why are these ways tempting?

4. How was Abraham a representative of the faith way of salvation even though he lived almost two thousand years before Christ? When did God initiate the faith way of salvation?

5. When did God decide that salvation should not be given only to Jews but also to Gentiles?

6. What does it mean that we are all one in Christ? What distinctions have been extinguished? Which distinctions still remain true?

7. What points of applications are you taking away from this lesson?
