Because serving without soul care leads to burnout and spiritual failure, we require all who serve or volunteer at Atlantic Shores to attend regular worship gatherings and be connected in a life group (or Student Ministry for students who serve). We also encourage the practice of personal spiritual disciplines that include but are not limited to daily Bible reading, prayer, fasting, worship, journaling, silence, solitude, and Sabbath (1 Kings 19:1-18; Luke 9:23; 1 Timothy 4:8).
